

A NOTE FROM THE SOMMELIER

Oenos, Vinum, Wine —Three words that sound so different yet are so alike. Words that today enclose a deeper meaning encompassing art, passion, and style. Since the creation of the most ancient cultures of the Mediterranean, wine holds a special place on the tables of humanity. From the Caucasus mountains and the clay qvevri buried in the ground to the golden oînos of Ancient Greece and on to Rome and the rest of the known cosmos. Pages and pages have been written describing vines, their fruits, and the grounds from which they blossom. We tasted wines from Macedonia to Santorini and Crete, France, Spain, Italy, the U.S., Oceania, and beyond, and we hereby invite you to taste some of our finest finds.

Enjoy the journey.
